“ Pat was a good friend to all as I last saw him in the hospital and we shared laughs from our younger years. And in sharing those memories we made another memory that day. I will always treasure our time together and will remember him  as he was in life funny, kind, a wonderful person that he was. He was truly a special person a wonderful father especially and now he is a guardian angel to all we love you Pat gone too soon but always will remain in our  hearts. R.I.P. my friend always
