Peter J. Killius, 57, of North Syracuse and formerly of Key West, FL, passed away on Tuesday, June 21, 2022, after an extensive battle with Pancreatic Cancer. Born in Syracuse, he graduated in 1983 from Cicero High School. He attended Syracuse University, Morrisville A&T School and graduated from SUNY Albany at St. Peter's Hospital. The past several years, he spent his time in Key West and at his camp at Brennan's Beach in Pulaski, New York. Peter loved to sail and started with sailing a Hobie Cat. He belonged to Fleet 204 and taught sailing both on Oneida Lake and in Key West.

Predeceased by his father, Walter, in 2018, Peter is survived by his family members, Nancy Blair Killius, Patricia Killius, Pamela (Gary) Burket, Paul (Maria) Killius, Marguerite (Craig) Harper, Madison Pinkerton, several nieces and nephews, and his lifelong friends.

“ *It's taken me so long to gather my thoughts. That's because sometimes I deal with really hard situations by NOT dealing. But Peter, my friend, is indeed gone. Somehow, in my mind, I thought this day wouldn't come. You were such a bright light. I will miss your ridiculously contagious laugh, and big, bright smile. I will miss your hugs, so warm and strong. I will hold dear EVERY SINGLE MEMORY that I have with you: from working with you at Hoo's-to hanging out with the "Michigan Boys"-to our talks-to seeing you in Key West-to our last conversations. You positively touched the life of everyone that had the privilege of crossing your path. And you will FOREVER be greatly missed. I love you my friend.*

“Gone too soon, but that infectious smile and friendly personality will remain forever. So very sorry to the many many lives he touched, there will never be another, too say he was one in a million is a huge understatement.

“My thoughts and prayers are with all of Pete’s family and friends during this sad time. I went to school with Pete. I don’t think I ever encountered him without a smile on his face. Always a happy go lucky guy. I hadn’t seen him much through the years but thanks to Facebook we were able to reconnect. Rest In Peace Pete, you and your smile will surely be missed.

“To Peter’s family I send my condolences. I met Peter when first came to the Key and worked at the Hog. Peter was so much fun and I have such fond memories of him. Every time my girls and I went down to Key West they used to ask can we eat with Mr. Peter? He had even won over the second generation. As only Peter could. I send love and peace to each you and thank you for sharing Peter with us.

“ To Nancy, Patty, Pam, Peggy, Paul and Madison, my deepest sympathies for Petes passing. Pete was good friend to me and many others. I was fortunate to visit with Pete a few weeks ago at his happy place at Brennan Beach before his passing and we were able to share some good memories of growing up on Hamilton Road together. Building forts on Blueberry Hill, skating on the pond, sledding at Big Tree Hill, camping, playing music and all those wonderful things we were able to do growing up. Before I left I told him I loved him and that we would see each other again in this life or the next. Although very sad, I know Pete is in a better place now without the pain he was suffering. I would also like to send a sincere thank you to Ernie Fenner who stood by Pete and helped him through all this when he needed it the most. Also to Brian Fenner, Deb, Patsy, Lauren and all the other great friends of Pete at Brennan's that helped him and comforted him through his illness. You will be missed Pete. I love you brother.

“ So sad to hear of the loss of Peter. I worked with him in the early 80's at Beefsteak Mining Company. I'll always remember him as a great guy with a smile for everyone and a nice person to work with. He led quite a life and had many interests and acquired many many friends over the course of his all too brief life. My thoughts are with those friends and his family at this sorrowful time. He will be missed.
