“ He was 5th grade teacher at Mattydale School. An awesome teacher. An inspiration to me for being a life learner. I became a music teacher myself and was inspired to be the same kind of teacher that Mr. Maloney was. God bless you in your loss. Susan Cowles Burnop

“ *Bobby, Chris, Kathy & Family,*
We are so sorry to hear of your Dad's passing, our thoughts and prayers are with you all at this sad time. Bob was like family to us and we missed him very much when he had to go to the nursing home.
We enjoyed his friendship and talks we had on the front porch along with the phone calls. He was a very thoughtful and wonderful man. Millen Drive was not the same when he had to leave and we thought of him often. Just know he and mom are together in heaven and will always be looking down at all of you. You will always have all the loving memories of he and mom. God bless all of you and our prayers
are with you.

“ Bobby, Chris, Kathy & Family,
So sorry to hear about your dad's passing. Loved living around the corner from your family growing up in N. Syracuse. Your dad is part of a great generation of men who gave so much to their community. I visited your dad after your mom passed away one day, and he was full of great stories and most definitely loved you all so so much. Take comfort in knowing he is back together with your mom in Heaven. They are probably sitting in a couple of lawn chairs, smiling, side by side having a drink and talking about all that's gone on down here in the past 10 years since mom passed. Love you guys!
