

Roberta A. Drury

May 14, 2022

Roberta Drury grew up in Cicero, NY. She attended CNS. For the past ten years she lived in Buffalo, NY tending to her brother who is recovering from a battle with leukemia. She enjoyed spending time with her family and friends, especially the annual family trips to Wildwood, NJ.

Roberta will be missed by many, her heart was so big, everyone was in her family. She couldn't walk a few steps without meeting a new friend. She made sure every single person in the room was having a great time, ready to laugh and hug at a moment's notice.

She is survived by her mother, Leslie (Richard) VanGiesen and father, Philip (Jeanie) Drury; grandfather, John Traeger; siblings, Christopher (Theia) Moyer, Daniel (Ashly) Moyer, Amanda (Steve) Drury, Nicole VanGiesen, Brett (Kimberlyn) VanGiesen, and many aunts, uncles, nieces, nephews, and cousins.

Calling hours will be Friday, May 20, 2022 from 4 to 7 p.m. at Fergerson Funeral Home, 215 South Main Street, North Syracuse. Mass of Christian Burial will be offered at 10 a.m. at the Church of the Assumption, 812 North Salina Street, on Saturday, May 21, 2022.

In lieu of flowers, the family prefers donations to be made in Roberta's honor to the Buffalo Zoo, 300 Parkside Ave., Buffalo, NY 14214.

To The Drury Family

Ms @Fabulous' homeless stree ministry, here in Kansas City Missouri, sends our heartfelt condolences to this family, who has lost their loved one, to gun violence. It makes no sense to me, that this young lady and nine other had to be targeted, because of the color of their skin. May the Light of God, brighten your way, and His strenght be yours, with each coming day. I wish that I had the answer to this evil spirit, but I don't. Love to you all, Catherine Oxner and family, Kansas City, Missouri

We did not have the privilege of knowing Roberta but her warmth and light radiates from her bright eyes and smile in her photo. God rest her soul. May god comfort and guide Roberta's family in the days, weeks, and years ahead. May the rest of us rise up and do our part to prevent such horrific tragedy from ever happening again.

“ *Hi. I share a name with your dear Roberta (I was named after my father), and I even see she has my mom's middle name--spelled the same way (Anne) and she went to St. Rose of Lima School. (My mom's middle name was Rose). In so many ways, she feels like a kindred spirit, and I look forward to the day we meet in Heaven. From everyone's description of her, I'm sure she's handing out hugs in Heaven. Please, my dear namesake, give my parents (and my brother Michael) hugs from me. God help you, her loved ones left behind.*

She was my rock I was her back bone but we ended up losing touch and stopped talking but there wasn't a day that went by that I didn't think about her. We had so many great times together and some tough and I'm still lost for words that you are gone... RIP MY SWEET ANGEL GOD CALLED YOU HOME AND GAVE YOU YOUR WINGS...*

She continued to talk to me as if she had known me for years but in reality we had just met and she already considered me family. She would from time to time over the years message me to check on Brian and I. When I had each of our boys she was one of the first people to message me to tell me congratulations and how beautiful the boys were. I will forever remember this memory. “ I remember a sweet little toddler becoming a part of my cousin Phil's beautiful family. I remember Leslie being so excited when Robbie arrived. She was an adorable little girl with the biggest smile that never faded even years later. I have never known anyone who was always so cheerful and elated with everyone she met. Her excitement and smile were ever present.

I am honored to have been both Amanda and Robbie's daycare provider for over 12 years. My children grew up with them. We have so many wonderful memories of both girls throughout our lives.

I am so saddened that this has happened. I pray that Robbie's light never dims. She was sweet, charming and bright enough that her memories will never fade. RIP sweet Robbie. I will always think of you with a smile and am grateful for the opportunity of being a part of your young life. 💕
